Notice of Motion No.133

Surplus Land Framework & Review

I hereby give notice that it is my intention to move at the Meeting of Council on 27 March 2023 the following motion.

That Council receive a report to a Council meeting by July 2023 (unless deferred to a later date in consultation with the Mayor) outlining the likely resources necessary to:

1. Develop a framework and approach to inform the prioritisation and viability of land sales, including but not limited to:
 - community usage
 - environmental and biodiversity value
 - potential for development
 - ongoing maintenance costs to Council
 - legislative requirements/constraints
2. Undertake a review of Council's current property and land to identify any surplus land or part thereof and potential for sale; and
3. Present the outcomes to Council.
