Weekly income is gross and must include all taxable income excluding non-taxable allowances such as Child Disability Allowances/Carer Allowances and Family allowances. \*Family is based on one child with an additional \$6,206 annually added for each additional child. Home Maintenance and Home Modifications services includes the hourly rate as above plus the cost of all materials supplied on an “at cost” basis. Community Health Income Ranges 2019 are based on the Centrelink Income test for pensioners. All rates are GST exempt.
