# Kings of Swing

Featuring Craig Schneider

**“If jazz is ever to gain another resurgence among the public in this country it will be through musicians such as the talented Craig Schneider. He’s an entertainer”** *The Australian*

Step back in time to the music and style of the 1940s. Swing was king, and Craig Schneider’s *Kings of Swing* revive the memories of those glorious nights spent dancing to big bands. Think spats, hats and pinstripes, or elegant black tie and cocktails. With a repertoire ranging from the classic swing of Count Basie and Duke Ellington, through the jump jive and R’n’B sounds of Louis Jordan and Louis Prima plus a healthy dose of the Rat Pack, Nat

“King” Cole and Bobby Darin, Craig Schneider’s *Kings of Swing* take the audience on a journey from the 40s to today.

Led by award-winning pianist and vocalist Craig Schneider, the band features the cream of Melbourne’s musicians, providing a big, bright sound that immediately gets your toes tapping.

The arrangements are all Craig’s, lending a new and fresh sound to the classic repertoire.
